

## MAY / JUNE IMPORTANT DATES

Date 1: June 16th - Trivia Night

*Communities coming together to support their local public school through fundraising efforts not only empowers the future generation, but also strengthens the foundation of the community itself.*

## OUR AMAZING SPONSORS

In this section we highlight the amazing businesses that have come on board as sponsors this year! Please get behind them and support them like they have supported us! That could be as simple as following them on socials or referring them to a community member in need of their services!

**THANK YOU!**

## Camden Public School

**FRIDAY 3RD NOVEMBER 4 - 9PM**

## A WARM WELCOME

Dear Camden Public School community,

We are thrilled to announce that after a long hiatus, the school's first fete in four years is finally happening! We can't wait to see everyone come together in a festive atmosphere and celebrate the spirit of our community while raising funds for the school's development and the future of our students.

As we gear up for this exciting event, we are seeking volunteers to help make it a success. Whether you can spare an hour or a day, we would greatly appreciate your time and effort in supporting the fete. From setting up and packing down to manning stalls and organising activities, there are many opportunities to get involved and contribute to the day's success.

We are also calling on local businesses to support the fete through sponsorship. As a community event, we believe it's essential to involve local businesses in our endeavours, and we invite you to join us in supporting our school and students. Your sponsorship will not only showcase your commitment to community involvement but also provide valuable exposure for your business.

We look forward to your participation in making the fete a fantastic day of fun and fundraising. Together, let's create an unforgettable event that brings joy to our community and benefits our students.

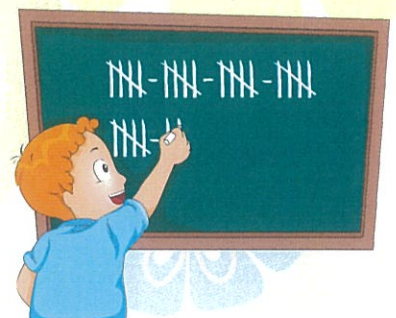

## OUTDOOR LEARNING SPACE - OUR

## FUNDRAISING INITIATIVE

Outdoor learning spaces have become increasingly popular in Australian public schools in recent years. These spaces provide numerous benefits for students, teachers, and the wider school community. Some of the benefits of outdoor learning spaces in Australian public schools include:

- Improved Physical and Mental Health
- Enhanced Learning Experiences
- Increased Creativity and Problem-solving Skills
- Greater Connection to Nature
- Reduced Stress & Anxiety
- Increased Social Interaction
