Parent and Carer Survey

Dear Parents and Carers,

Camden Public School continues to strengthen and develop how we cater for the needs of our community.

As part of this ongoing process we would ask that you take 15 minutes and fill out the Partners in Learning Parent Survey.

Below is information about the survey and a link to access the survey online.

About the Survey

The survey is called 'The Partners in Learning Parent Survey' and is for parents and carers of Camden Public School students. It is designed to clarify and strengthen the important relationship between home and school by gaining insights into parent/carers and staff communication, activities and practices at home, and parent/carers voice on school support of learning and behaviour.

The survey results help to build an accurate and timely picture that Camden Public School can use for practical improvements.

How does it work?

Parents/carers take the survey online in their own time. The survey usually takes less than 15 minutes and is anonymous. The online survey will close on Friday 3 November, 2023.

The link to access the survey is below:

<http://nsw.tellthemfromme.com/dgddt>

What does it ask?

The parent survey asks parents/carers a range of questions related to the following drivers of student outcomes:

- Parents feel welcome
- Parents are informed
- Parents support learning at home
- School supports learning
- School supports positive behaviour
- Safety
- Inclusion
- Parent participation at school
