## WHAT IS A FETE?

There are lots of new families in our school this year who may not have attended a school fete before.

Camden Public School has been organising a bi-annual fete for many years now and it is our major school fundraiser. You can expect to hear a lot about the fete over the coming months. You can also expect to have a really fun afternoon and evening on November 12 – there are rides, lots of activities and plenty of food.

Our last fete raised over \$54,000 and this money was used for playground upgrades as well as the purchase of school resources, air conditioning and classroom 'smartboards'. Our school fete is a really important date on our school calendar and is always a well-supported event.

The success of our fetes is thanks to the involvement of the whole school community. Keep your eye out for these regular newsletters to find ways that you can get involved!

## Fete sponsorship opportunities

We are currently looking for businesses, families or individuals who are interested in supporting our school through Fete Sponsorship. Typically, sponsorship is in the form of cash however we also accept goods in kind.

## GET INVOLVED

### Follow us on Facebook:

@CamdenPublicSchoolFete2021

Like and follow the page and like our posts so that we can get as much exposure for our sponsors as possible. Even better – share the page with friends and family and encourage them to do the same!

### Support our sponsors:

We greatly appreciate the support that our sponsors give us. We would encourage our school community to support our sponsors businesses where possible. Mention us when you make contact with them so that they know their money has been well spent. Without sponsors, our fetes would not be the amazing successes they always are.

### Come along to fete meetings:

All welcome!
